Youth Games Gold and Silver Medals for Keeran in Jamaica

Racing at the Carifta Games in the red and black colours of his mother's birthplace Trinidad & Tobago, Westminster schoolboy Keeran Sriskandarajah claimed the gold medal in the under 17 boys 1500m final.

Sriskandarajah ran a very tactically astute race, biding his time early on and then hitting the front just before the bell and running away to a clear win in a PB time of 4:10.58.

Sriskandarajah raced again in the 800m final on Easter Monday and in a close three way battle he claimed the silver medal with a finish line dip that Colin Jackson would have been proud of. His time was 1:58.45.

Yasmin Marghini records huge PB in California

Yasmin Marghini produced an outstanding 5,000m performance at the Stanford Invitational track and field meet in California last weekend, writes Geoff Jerwood. She placed eighth in the second heat against a field of international standard competitors and recorded a huge PB of 16:07.23, an improvement of more than 31 seconds.

Marghini moves up to ninth in the UK women's 5,000m rankings and second in the U23 women's list.

The Boise State University fresher is now second on the Herne Hill women's 5,000m all-time list, with only recent World Universities cross country silver medallist Saskia Millard having ever run faster for this distance on the track among Harriers' female athletes.

Materials arrive for track resurfacing . . .

After some delays caused by congestion at the port of Dover the materials for the track resurfacing have been delivered. We have been advised that the works should be completed towards the end of June.

Help needed for HHH summer athletics events

We have a busy summer ahead on the track, and that is only possible with your support. So if you think you can help out, please let me, Dan Hallam know.

Possible "home" fixtures:

- 27 June Vets league at Battersea
- 16 July Southern Athletics League
- 13 August Southern Athletics League

Look forward to seeing you somewhere in South London over the coming year.

Thanks Dan Halam
