### **Tooting Run Club – off to a fantastic start**

The inaugural Tooting Run Club had over 100 participants spread over four abilities groups, from complete beginners to intermediate. A massive well done to Tahir Shams, who has been the lead on this community project and to Keith Newton for drafting the successful bid to Wandsworth Council. Plus a big thank you to all the coaches and volunteers who have given up their time to ensure this new initiative got off to such a fantastic start . . . If you would be interested in helping us run these sessions please let me know: [glenkeeganhhh@gmail.com](mailto:glenkeeganhhh@gmail.com)

## **Sensational silver for Saskia at World Universities Cross Championships**

Saskia Millard claimed a silver medal at the FISU World University Cross Country Championships in Aveiro, Portugal and Tokyo Olympian Katie Snowden put on her racing shoes for the first time in 2022 to reclaim the women's course record at the Dulwich parkrun.

Representing a strong Great Britain Students team, Millard (pictured above) placed second in an international field behind team-mate Izzy Fry to lead their country to team gold medals.

## **Appeal for additional Safeguarding Officers**

The Club is seeking to expand its Welfare team by bringing on additional Safeguarding Officers. All athletics clubs have a responsibility to safeguard children and vulnerable adults by providing a suitable framework and culture to report any potential issues. The HHH Welfare team share best practices, policies and provide a forum for any concerns to be raised.

HHH strives to provide an accessible and visible safeguarding team - we need the help of athletes, parents, carers and other volunteers to assist with this effort. Ideally we would have a safeguarding representative from each training group included in the team.

Although not requiring a huge time overhead, its a crucial role and a rewarding opportunity to input back into the Club. Training will be provided. Please contact [welfarehhh@gmail.com](mailto:welfarehhh@gmail.com) if you are interested in helping out
